HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in the district. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact your school.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household. Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending the school system, regardless of age.

A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.

B) Is the child a student in this school district? Mark 'Yes' or 'No' under the column titled 'Student' to tell us which children attend the school district here. If you marked 'Yes,' write the grade level of the student in the 'Grade' column to the right.

4) Follow the steps to complete the 4 tabs above, and you will be able to submit your application online.

(If you do not have access to the Internet, or are unable to complete the application online, a paper packet may be obtained from your child's school.)
